

WARRANTY FOR MESSENGER® GMS

Messenger GMS (Ground Mounted System)

Two year limited warranty against defects in material and workmanship under normal wear and atmospheric conditions. Unit is warranted to withstand 60 miles per hour wind velocity. Unit is not warranted against flying debris, other moving objects or misuse.

To file a Warranty Claim the following information will need to be submitted:

- Invoice number of original GMS order
- Date of GMS failure
- Describe the weather conditions at time of failure
- Location (ZIP code) of GMS failure
- At least (2) close-up photos, at different angles, of failed GMS installation
- At least (1) photo taken from further back showing complete GMS installation
